or in  
health...

... In  
sickness,

Uh...  
Et cetera  
et cetera!

Umm...  
What  
was it  
again?

Oh, for sure!

If you'd like to hear about it...

There was this one time when Non-chan and I pretended we were dating

Oohhh!

Nazuna-chan. That's so grown-up!

No thanks!!

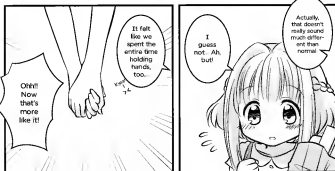

Want me to warm you up a little?

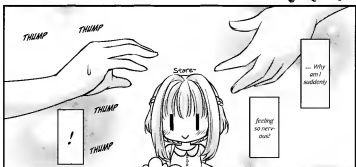

Ngh... I just felt a chill run down my spine...

Oh-hoh? Did you catch a cold, Non-chan?

I'm gonna make lunch, so just hold on-

GYAA!  
MIYA-CHAN!?

Eh?

W-w-why are you naked!?

And why the apron?

I thought it was like, totally required for married couples...

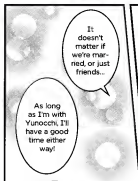

Are you sure that was just a normal romance manga?

Well, I saw a scene like this in a romance manga I borrowed from Festa

The  
Next  
Day

'Morning!

Good  
mornin!

It was  
pretty hot  
last night,  
huh? Did  
you sleep  
well?

Just like  
normal,  
just like  
normal...

Hmm?  
Is there  
something  
wrong with  
your cheek?

Ah...

Nah, it's  
nothing

Zoning  
Out

I'm  
just feeling  
kinds hot,  
and I can't  
really  
focus...

Do you  
think I  
could  
borrow  
your  
shower?

Yeah, go  
ahead...
